**United Nations World Environment Day Awards**

Our visit to Melbourne last Friday was very worthwhile. Whilst we weren't the overall winner, to be named as one of the 4 finalists for schools across Australia, and the only Queensland school nominated, was very rewarding indeed. Mrs Gibson, Mrs Routledge and myself made many connections at the event, with many organisations keen to look further into our excellent environmental projects at Wondai.

**P&C MEETING - Monday 16 June**

Parents are encouraged to attend our next P&C meeting which is scheduled for Monday 16 June at 7.00 pm. Agenda items include Spring Spectacular, Tuckshop (review of current arrangements) and catering for Athletics carnivals.

**SPRING SPECTACULAR - first planning meeting**

Please come along on Friday at 3.15 pm to our first planning meeting for this year's Spring Spectacular which is set down for Saturday 25 October. We have received a number of good and innovative ideas for this year's event, so please come along and be involved. Many people would like to see the successful activities from the Funky Futures Festival included in our Spring Spectacular as they created so much interest. A yummy afternoon tea will be provided!

## Celebrations for year 7-10

### Last Friday of Term

### Parents Welcome!

Years 7-10 will be celebrating a great Semester 1 with a special day on the last day of term, Friday, June 27. The day will include an open session in the morning during which students will showcase some of their achievements from elective subjects, and possibly an overview of electives for Semester 2. Parents are welcome to attend this session.

Later in the day students on levels 1, 2 & 3 will participate in activities. Details are sketchy as yet, but these may include a choice of movie (please see below) and/or a sports activity.

Please mark this morning in your diary as parent/community involvement can really help students celebrate a great effort! See you there.  
More details closer to the date.

#### Movies at School

Parents are advised that during the run-up to the holidays students may be offered the reward of a movie at school as a celebratory activity. At school we will only show G or PG movies without parent permission, but if you would like to be contacted especially with details, please let the office know.
