Pupil Free Day 14 July

Students are due back at school on 15 July. All of our staff will be involved in professional development on Monday 14 July.

NAIDOC CELEBRATIONS - Thursday 17 July

NAIDOC week celebrations are happening after the holidays on Thursday 17 July. I've included the final 2 sections of our quiz. There will be excellent prizes given out on our NAIDOC parade.

We will be having an Indigenous Art Expo in our new Learning Centre on this day. Please let your friends and family know about this, as the art work will be on sale as well.

Student work will be on display in our new Learning Centre, including the recent Year 9 English assignments, where the students have written and illustrated their own Aboriginal children's stories.

The Careers' Expo on this day promises to be very informative as well.

Mrs Alberts and student helpers from secondary will be organising the colouring-in competition and other events which will culminate on 17 July.

BLUE CARE day a success!

Thank you to the many families who supported our first Blue Care day on Friday. Brenda Brown, from Blue Care, provided many resources for our students, which was appreciated. (Any classes that haven't yet rec'd theirs will get them this week.) I'm sure there were many conversations in classrooms about what organisations like Blue Care do for our communities.

BUNYA TO THE BAY

Pascha Robbins attended the first training camp on the weekend in preparation for the Bunya to the Bay. Baker Harrison has been selected also, however, wasn't able to attend. We have an opportunity to nominate one more student, and this process is currently underway. Two years ago Briele Grevell and Tim Pratt went on the first ever Bunya to the Bay. Stay tuned for more information about this.

HAPPY HOLIDAYS

I hope you all have a wonderful and relaxing break on the holidays, and enjoy not having to rush to get to buses and to school each day.

Reports!

Student Reports will be issued on Tuesday, 15 July.

Sport Sport Sport

By Emilia Heaney and Kacey Theuerkauf Yr 9

Wondai State School has had their time to shine in sport. We have been travelling really well in sport. Everyone is out there being active.

The senior netball team are up there with the best in the South Burnett, they've been playing really hard, and they are heading off to play against Yarraman this week. The junior netballers tried their hardest against Kingaroy State School and were gallant in defeat. The junior football team also played with finesse against Kingaroy. Shelley Alberts and Rosie Wilmot are stand out players in the U15 netball team, playing games with exceptional effort. In the junior team, Shania Stewart has been a great strength.

The footballers for the under 15's and 13's are also playing their best. Wondai recently played football against Goomeri, unfortunately Wondai lost. Jeremy

4-Way Meet

Brown, Andrew Scales, William Purcell and Tristan Perry have been commendable players in the football games this term. They have exhibited excellent teamwork and football skills.

DATE CLAIMER

SPRING SPECTACULAR
SATURDAY 25 OCTOBER

On June 19, years 6-10 went to the pulse in Murgon for the 4-way-meet. The sports played were netball, soccer, volleyball and basketball. Everyone played well and showed excellent sportsmanship. In the end, Wondai claimed victory and our name is on the shield again. As you can see, Wondai State School is putting a lot of effort into their sport, we should all be proud.

Congratulations to all students who attended the 4 way meet last Thursday. All students should be commended for their sportsmanship and excellent behaviour. Once again Wondai were a bunch of champions participated to the max and bought home the 4 way meet shield. Well Done.

Thank you to those teachers and teacher aides who umpired and coached through out the day and helped with the set up early on Thursday morning. Much appreciated.
