Choir News

Both Choir's have been invited to sing at this year's Presentation Night next Wednesday 11 November. The junior choir will sing at the start of the night, while the senior choir will close the night. The formal proceedings will start at 6pm at the town hall. Both choirs need to meet out the front of the hall at 5:20pm. More information and permission forms will be distributed tomorrow.

Flower Donations

We are asking for donations of flowers to be used to decorate the hall at our Presentation Night. If any families have some flowers in their gardens that they wouldn't mind donating, please drop them into the office next Wednesday morning.

World Café Youth Forum Success!

CTC Youth Services would like to thank all students who participated in the recent "World Café Youth Forum" held at your school.

World Café is a chance for students to voice their concerns on issues directly affecting young people. It is also an opportunity to identify what already works well in your school and community. World Café is a forum brought directly to young people that enables them to freely voice their ideas and gives them opportunity to envision what else they'd like to see happen in their town or community.

There were many fantastic answers which have been taken into consideration by CTC Youth Services. The results have also been forwarded to your school and the South Burnett Regional Council to be considered and possibly implemented.

So once again, thank you to those students who participated... Remember, you have a voice in this world too!

The Q150 Shed is coming to town

Queensland's newest touring entertainment venue, the Q150 Shed will visit Blackall, Augathella, Cherbourg, Warwick, Brisbane and the Gold Coast during November and December as part of its second tour of the state.

The Q150 Shed gives local talent the opportunity to perform live on stage in front of their local communities.

There are free dance workshops at 3.30pm at each location with young urban dance company Raw Dance, and the Bank of Queensland will be hosting 'Funny Money' workshops for the kids.

Each day the Q150 Shed is in town will also be a great opportunity to take in the 'where we from' banners project exhibition. This visual arts program depicts the Indigenous relationships between land, identity and culture.

The touring entertainment is one way the Queensland Government is ensuring all parts of the state are touched by Queensland's 150th birthday celebrations.

Visit the Q150 website at www.q150.qld.gov.au for the full entertainment lineup and venue information.

Administration News

Just a gentle reminder to parents that end of year functions and celebrations are fast approaching us. If accounts have not been finalised, unfortunately your child will not be invited to participate.

A MESSAGE FROM THE SCHOOL CHAPLAIN

I have begun a round of award nights. It is good to see students receiving their rewarded for the year's hard work. It was also good to see, at some schools, students receiving encouragement certificates. To all who received awards and certificate I offer my congratulations.

To those who did not, besides saying there is always next week, I would like to offer some encouragement.

- 1) Always give it your best shot. If you work hard and do your best then you should live with the satisfaction that you achieved to the best of your ability.
- 2) Remember even losing athletes rejoice that they gave it there PB – their personal best.
- 3) Not all of us achieve well at school – but we still go on to make a success in life. Chappy was a dismal failure in school but has picked up later.

If you did not succeed this year and there are things that are troubling you and stopping you do your best than talk to someone and see if you can resolve the issues holding you back. Each school has a guidance officer; some schools have a nurse; and your school has a chaplain. Any one of these people will listen to you and endeavour to help you. Please remember there is also your teacher(s) and they will be always willing to help you do better.

Global Communities for Sustainability Project (GCS)

Out GCS team of Hannah Clarke, Shelley Alberts, Emilia Heaney, Pascha Robbins and Raechel Nicoll have been busy working on their waste management action plan, updating our GCS webpage and swapping ideas with our sister school in India. They are also contributing to forums about topics including Greening, Climate Change, and Sustainability. This is a great way to exchange ideas with students from Australia and India, and hear about what is happening climate wise in another part of the world. We hope to be able to continue our exchanges with The Zydus School of Excellence next year and into the future.
